The Lansing Chapter has launched a new website as a means of connecting our 100+ members from across Michigan. Please visit the website (lansing.asse.org) and let us know if you have an event, job posting, or other idea to share. The site currently contains copies of the Chapter Bylaws and meeting minutes. As we continue to develop the site we will add information and features. Let us know what you would like to see. Contact Bob Kirkby (president@lansing.asse.org).

NEW CHAPTER WEBSITE

The Lansing Chapter of the American Society of Safety Engineers was chartered in 1947. Our Chapter covers a wide territory in Michigan and has just over 100 members from all areas of expertise.

We hold technical meetings throughout the year. Meetings are open to anyone who is interested in improving the safety of their workplace.

2015-2016 Chapter Leadership

- President—Robert Kirkby
- Vice President—Terry McKinch
- Delegate—James Stokes
- Treasurer—Craig Galecka
- Secretary—Bob Schneider
- Program Chair—Lisa VanderHulst
- Bylaws—Dave Clark
- Affiliate Societies—Cathy White, Terry McKinch, and David Thibeault
- Webmaster—Dave Clark
- Social Media—Cathy White

CHAPTER ELECTIONS

Are you interested in serving the Lansing Chapter in a leadership role? Do you have some talents to share to help us reinvigorate and develop the Lansing Chapter to its full potential? If so, the Elections and Nominating Committee would like to hear from you.

The Committee is seeking nominations for all officer positions including President, Vice President, Secretary, Treasurer, and Delegate for the July 1, 2016—June 30, 2017 term.

Committee Members include:

Carl Granger (Chair)        Craig Galecka
Jeffrey Gray               Dave Clark

Please contact Carl Granger (carlwgranger.asse@gmail.com) for more information.
The Lansing Chapter will take an active role in promoting the safety profession at the 2016 Michigan Safety Conference on April 19-20 at DeVos Place in Grand Rapids.

The Chapter will co-host an informational booth in the exhibition hall on both days of the conference.

The Chapter will also hold a joint meeting with the West Michigan and Greater Detroit Chapters beginning at 4:45pm on Tuesday, April 19th. This meeting will include a ceremonial signing of a Cooperative Alliance Agreement between the three Michigan ASSE Chapters and MIOSHA. Following the signing, Mr. Steve Hansen (ASSE Chapter Services) will be our guest speaker. A social hour will commence following the meeting.

All Chapter members and their colleagues are encouraged to visit the ASSE booth and attend the meeting and social hour. Please RSVP Bob Kirkby (president@lansing.asse.org) if you would like to attend the meeting. We hope to see you at the conference!

TO: ALL MICHIGAN AMERICAN SOCIETY OF SAFETY ENGINEERS MEMBERS, FRIENDS, AND COLLEAGUES

THE LANSING, WEST MICHIGAN AND GREATER DETROIT CHAPTERS ARE TEAMING UP TO BRING YOU A JOINT MICHIGAN ASSE OPPORTUNITY AT THE MICHIGAN SAFETY CONFERENCE 2016!!!

All three chapters will be signing an alliance for 2016-19 with MI-OSHA at 4:45pm...please join us to help celebrate our continuing relationship with Michigan OSHA.

Immediately following at 5pm, we have a spectacular speaker from ASSE Society Headquarters, Steve Hansen, Chapter Services Manager. Mr. Hansen will speak on the benefits of ASSE and how ASSE can and does benefit all EH&S Professionals both here at home and globally.

Please join us:
April 19, 2016 @ 4:45pm
DeVos Center–Grand Gallery D; Grand Rapids, MI

Please plan to join us for some food, networking, & a little relaxation after a long day at the MSC, and an awesome presentation!!

Cost: $Free$; Cookies, Coffee and Soda will be provided.

RSVP: carlwgranger.asse@gmail.com

Walk-Ins are welcome!!
ISO 45001: Background, Status, and Implementation Considerations

Presenter: Greg Zigulis, President, Sixth Sense Safety Solutions

ISO 45001 is poised to replace the popular OHSAS 18001 standard, with the purpose of overall improvement of occupational health and safety performance. It will require an organization to look beyond its immediate health and safety issues and take into account wider societal impact. Organizations will have to think about their contractors and suppliers, as well as the effects their activities have on neighboring communities. Are you ready for ISO 45001 and its inherent pros and cons; is your company ready for implementation of an ISO-compliant Health and Safety Management System?

Please join the Lansing Chapter and the Greater Detroit Chapter of the American Society of Safety Engineers as they partner to host this informative and balanced presentation on the new ISO 45001 Standard.

When: April 28, 2016 from 5:30-7pm
Where: CAM – Tri-Cities Office at 334 South Water Street; Saginaw, MI.
To Register: Space is limited...to reserve your seat, please send an email to: carlwgranger.asse@gmail.com

There is no fee to attend this meeting. Pizza and beverages will be provided. We look forward to seeing you there!!
what’s new at MIOSHA?

Please join us for an informational update on workplace safety, health, earned wages, and fringe benefits of Michigan workers, along with new initiatives and other important information.

This event will provide an informal opportunity for employers and employees to meet and network with MIOSHA representatives (Consultative, Enforcement, Wage & Hour, and Radiation). You will have the opportunity to ask questions, obtain information on program services and resources, and learn about MIOSHA Training Institute (MTI) opportunities.

Topics include:
- New reporting rules
- Goals and emphasis areas
- Significant cases
- Best practices

Date:
Wednesday, June 8, 2016

Time:
9:00 a.m. – 11:00 a.m.; Doors open at 8:30am

Location:
Great Lakes Training Center
1800 Ridgewood Dr.
Midland MI, 48642

Presented by:
Bart Pickelman, Acting Director, MIOSHA
Department of Licensing and Regulatory Affairs

Bagels and coffee will be provided by Great Lakes Training Center & the Lansing Chapter of the American Society of Safety Engineers.

RSVP:
Please email president@lansing.asse.org by Thursday, June 1, 2016 to reserve your seat.
Deborah Weigand, Managing Director for AON Global Risk Solutions, will present, “There’s Gold in Workers’ Compensation Data”, which was presented and well received at ASSE Safety2015 in Dallas, TX.

This informative presentation will review how safety and health professionals can use workers’ compensation information available within the claim administrator’s data warehouse. This data can provide significant trending and benchmarking opportunities that would not be otherwise available to the safety professional. The attendees will receive information about the types of data collected by the claims administrator, how this data can be modified, and the formats of reports and dashboards which can be used to present the information internally.

When: April 5, 2016 @ 5:30pm

Where: Emagine Theatres – “The Loft” – 200 North Main Street, Royal Oak, Michigan

Cost: $10.00; cookies, coffee, soda & awesome movie popcorn provided!
